

Day for Bees and Agriculture

Wednesday, August 20th, 2014 1:00—4:00 pm

Hosted by: Grey Ag Services; The Independent Commercial Beekeepers Organization; and Georgian Soil and Crop Improvement Association

at Osprey Bluffs Honey Company

634386—63 Road Grey Highlands, ON N0C 1C0

1st farm South of the 10th Concession on Road 63. Watch for the honey signs at the driveways. (North of County Rd 4)

Topics will Include:

Bee Education; Neonicotinoid/Bee Research and OSCIA Strip Trials; Fluency Agents; Deflector Kits for Planters; Seed Treatments; and Alternative Land Use Services Grey Bruce

Please join us for an entertaining afternoon of education, awareness and collaboration. Speakers will each speak for a short period of time followed by an hour of networking and conversation during refreshments.

Refreshments Sponsored by ALUS Grey Bruce and Ontario Institute of Agrologists—Huron Branch
