ORGANIZATIONAL MEETING for 2011

The branch must elect a new Executive, and it's relation to the OIA itself. In addition, the program plans will be discussed.

Come prepared for an active discussion!

To kick off the 2009 4H award celebrations, the Halton 4H Association held its annual Awards Night at the Nassagaweya Centre in Brookville on November 22. Keturah Breckon, representing a family of honourees, was the recipient of the 2009 O.I.A. Hamilton Branch Citizenship Award. Keturah has been recognized for her volunteer work while excelling academically and participating fully in the Halton 4H program. Barb Parker, P.Ag. attended and made the presentation on our behalf.

Two weeks later, on December 4, Deanna Ringleberg was recognized as the Hamilton-Wentworth 4H Association's Top Junior Member, an award sponsored by our branch. Deanna, also from a family producing a previous winner, has completed 24 projects in just four years! Scott Brooks was on hand to make the presentation at Marritt Hall in Ancaster.

The final presentation for the 2009 4H season took place at the Paris Fairgrounds on Friday, January 29. Once again, the Hamilton Branch was represented by Robert Meier, P.Ag. This year Amanda Henderson of St. George was named the most Outstanding Brant County 4H Member.

Appreciation of our Branch's continuing support has been received.
