## NOTES

1. NON-GOLFERS ARE VERY WELCOME TO ATTEND DINNER
2. A special welcome to the tournament is extended to all lady golfers of the OIA.
3. Golf and door prizes are appreciated. ☺
4. Additional information on the golf course is available at [www.twentyvalley.com](http://www.twentyvalley.com). After a moist spring, one of the premier golf courses in Niagara is in great shape. The rates above have been specially negotiated for our event, and are a great value.

*The Niagara Branch of the OIA looks forward to hosting you and your friends on June 15.*
